

Sport Premium at Esh Winning Primary School

What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools with the aim to increase the quality & breadth of PE & Sport provision and increasing participation in PE & Sport. The funding amount schools receive is based upon the number of children of primary age the school has.

At Esh Winning Primary School we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.
