

In the interests of health and safety when dropping off or waiting to collect your child we ask that you do not allow children to play on the trim trail or the outdoor equipment. This should only be used when supervised by school staff.

Home time arrangements Please can parents inform the class teacher via letter/note on the morning know if your child is going to be collected by anyone else other than the regular person at home time. **This applies to all children throughout the school, Nursery to Year 6.** Children can be made aware of who is collecting them, but unfortunately, we cannot allow pupils to go with another parent/person or walk home (older pupils) unless we have had this confirmed by their own parent/carer.
