In the school grounds after school.

There will be a local singer Vicky Laws, tombola, raffle, toy tombola, an ice-cream van, bouncy obstacle course, soak the staff, Name the cuddly toy, BINGO at 4pm, hair braids, glitter face paints, café and much, much more!

We are holding a non-uniform day on Friday 14th June to generate prizes for our tombola stalls.

Please come along on 3rd July and support our school, thank you!

## Mr Burdon.

Mr Burdon will be leaving Esh Winning Primary School at the end of this term as he has gained a new post at a local secondary school. We wish Mr Burdon the very best of luck at his new school. He will be a big miss, both as a teacher and a PE Lead. Congratulations, Mr Burdon, and good luck!

## Snack Time.

Some children have been bringing in snacks to eat at play-time, but there are a number of foods and drinks that are not suitable for school. Children should not be bringing in chocolate biscuits, sweets, crisps, lollipops or fizzy pop for snack times. Dippers are also not allowed if it is with a chocolate spread as this contains nuts, and we do have some children with a nut allergy.

We offer fruit winders, small cheeses, pieces of fruit, yogurt tubes, Soreen bars and raisins from the tuck shop, and we would appreciate it if any items brought in from home are similar to this. Children should only have one snack item.

The Consett Rotary Club paid for their entry into the museum and supplied the year 2 children with a Kids Out Cap which they received on the day. We can't thank the Consett Rotary Club enough for their continued generous support of our school!

### **Health & Safety Reminder**

In the interests of health and safety when dropping off or waiting to collect your child we ask that you do not allow children to play on the trim trail or the outdoor equipment. This should only be used when supervised by school staff.

### **Home time arrangements**

Please can parents inform the class teacher via letter/note on the morning know if your child is going to be collected by anyone else other than the regular person at home time.

**This applies to all children throughout the school, Nursery to Year 6.**

Children can be made aware of who is collecting them, but unfortunately, we cannot allow pupils to go with another parent/person or walk home (older pupils) unless we have had this confirmed by their own parent/carer.

Pupils are allowed to wear either green and white or yellow and white checked dresses or the school gold/yellow polo top and grey or black smart shorts during the summer months.

### **Rock Steady Music School**

### **Year 1—6 Games Day!**

Due to poor weather , the year 1-6 games day has been rearranged for Thursday 20th June on the afternoon. We hope parents will be able to attend.

### **Quidditch Festival**

Our Year 5 class will be taking part in a Quidditch Festival on Tuesday 25th June! More information will be sent

### **Barney—Our School Therapy Dog.**

It has been fantastic to see Barney (and Alan his owner) each week. The children are really enjoying reading their books to Barney and, he is often so relaxed by this, he often falls asleep! Every week that Barney comes into school, Alan has taught him a new trick, which he loves showing to the children.

### **Two-Year-Olds**

We are very excited about starting our 2-year-old provision in September. We already have 13 children's names on the list. Thank you to all the staff that are helping to get the new provision ready for the new academic year.

If you would like to receive this newsletter in a different format, please contact the school office. Thank you.
